MPAC AV Championship

While there is an established club championship within our Club run format, the club has yet to have a system of tracking the participation rate and performance of member athletes at AV events. The above seeks to do just that. The following simple scoring method applies:

Participation = 6 points

Placing on a descending scale based on AV overall position as follows:

1-50 6 points

51-100 5 points

101-150 4 points

151-200 3 points

201-250 2 points

301+ 1 point

EG: At Balnarring XC, Cam Hall came 65th overall, which meant that he got 11 points. 6 for finishing the event and 5 points for coming 65th.

If in the case of a tie at the end of the season, the athlete with the lowest aggregate total of placements would be the winner. The system seeks to award both participation and speed. Both of which are required for teams to be competitive at AV.

Presently, this system is in place for senior athletes only.

Any feedback most welcome

STEVE 29/5/2011

Congrats Cam Hall who scraped into the top 50 at Flemington and take out 12 points for the round.
