CAM HALL - CLEAR MPAC SENIOR AV WINNER FOR 2011. CONGRATULATIONS ON A GREAT WINTER SEASON.

MPAC AV Championship

While there is an established club championship within our Club run format, the club has yet to have a system of tracking the participation rate and performance of member athletes at AV events. The above seeks to do just that. The following simple scoring method applies:

Participation = 6 points

Placing on a descending scale based on AV overall position as follows:

1-50	6 points
51-100	5 points
101-150	4 points
151-200	3 points
201-250	2 points
301+	1 point
