#### MPAC Wrap

A strong effort from MPAC. Juniors ran well. Troy McGill the definite stand out with a win in the U14s.

The seniors did well to get a team off the ground. Big thanks to David Dodson who braved it out to be our sixth runner in and complete the team. This gave us 3 valuable points in our quest to hold onto our Div 2 spot.

Great effort from Mike and Sue taking the win in their respective age group categories.
