CONSENT FORM Identification and 'Tagging' of Photographs

Background:

Currently, official club photographs are taken in accordance with the Athletics Victoria Photography Policy (2015).

This includes the restriction that Clubs will not name or identify the athlete or display personal information without gaining consent.

However, on occasion it may be beneficial to have such club photos captioned or tagged with your child's name on our website and/or Facebook page.

Please note that we will continue to abide by Athletics Victoria's standards with regards to the content of photographs, as well as our own Communications Policy, which are available on our website under 'Documentation and Policies': http://www.mpac.org.au/documentation--policies

If you wish to have your child's name captioned and/or tagged on official club photos, please fill out the form below.
